

## Park and Recreation Meeting

December 3<sup>rd</sup>, 2022

The meeting was called to order. Present were Mike Carey, Mark Page, Josh Lindgren, Nicole Bower, Jessica Boelman, Eric Hanson.

We had a successful Holiday Party. Approximately 200 people were in attendance. The year we changed our beverage order to 10 gallons of hot chocolate and 5 gallons of coffee. While there was still some left over, the amounts seemed much more appropriate to our actual need.

The crafts were a big hit and very busy. This year we only had one volunteer and while she did a great job restocking crafts on to the table and helping kids as needed, Dawn suggested having additional help next year if possible as it was a lot for one person to do alone.

Residents gave lots of positive feedback. Kids loved seeing the costumed characters.
