

Park and Rec Minutes  
12/4/2021

The meeting was called to order by Jessica Boelman. Present were Jessica Boelman, Mark Page, Josh Lindgren, Nicole Bower, Terry Holmes, Dawn McCracken, Charlie Seipel-Teng as well as Eric Hanson and his daughter Aubrey as visitors.

We had a very successful holiday party with 171 people in attendance. There was a large amount of coffee and cider left over. However, there was no hot chocolate left over. We also had approximately 100+ cookies left over after the event.

The crafts were a huge a hit and our hockey volunteers were very engaged! Everything ran smooth and residents gave lots of positive feedback.

For 2022, we'll plan the same style set up and activities.  
The meeting was adjourned.
