

Park and Rec Meeting Minutes March 8, 2021

The meeting was called to order by acting Chair Jessica Boelman.

Present were Jessica Boelman, Nicole Bower, Jordan Johnson, Denise Williamson, and Terry Holmes. Mike Carey and Charlie Seipel-Teng joined via zoom.

Bailey Wolf with Flagship joined the meeting to review potential playground designs for Town Hall Park. She will reconfigure a third design based on feedback gathered during the meeting then send to the committee for additional review and feedback. She will provide a blueprint mock-up of the changes to be shown at the annual meeting on March 9th.

Bailey will review the grant application and provide the detailed information needed for us to properly answer the grant questions. Following her initial review and input, Jane with Bolton & Menk will review the application and continue helping us answer the questions.

Denise will contact KidsDance to confirm they are still available to DJ on the date of our Empire Celebration. Denise will try to connect with Doug Peterson to see if he would be willing to bring a few vintage cars to show. Painted Imagination is working to find a glitter tattoo artist, balloon artists and crazy hair artists to help. Dakota County Sheriffs will be at the celebration along with Farmington Fire Dept. Denise will begin contacting food vendors as the time gets closer.

All Sunday entertainment slots have been filled. Stay tuned for the full schedule.

An application has been received for the Parks & Rec Commission opening. It will be presented to the Town Board.

The meeting adjourned.
