

Park and Rec Meeting
4/11/2022

Chair Mike Carey called the meeting to order. Present were Jessica Boelman, Josh Lindgren, Mark Page, Mike Carey, Eric Hanson and Dawn McCracken.

Our joint food truck event was discussed. Things are falling in place nicely. Farmington is willing to pick up the garbage and recycling after the event and their Communication Specialist will be developing a flyer that both communities can use to aid in the advertisement of the event. They are also willing to give us 2 dedicated staff to help with the event.

Dakota Lumber is supplying some wood to us to aid in making some signs for the promotion of the event. Eric will provide a base paint to the wood and then we will use stencils to complete. Dawn will also bring tagboard to the next meeting. Jessica and Nicole had volunteered to make signs to slip into our current sandwich boards to advertise the event.

We discussed the 3 bids and the option breakdowns that were presented to us for the development of the playground at the Town Hall Park. We will be using funds obtained through the DNR grant, which we were awarded, to help pay for this. The Committee reviewed each plan and made a recommendation of the design they preferred. This will be presented at the next Town Board meeting for their decision. We are currently waiting for bids to come in for the new landscaping that will be done at the Town Hall Park. The meeting was adjourned.
