

Park Rec Minute
05/23/22

The meeting was called to order by Chair Mike Carey. Present were Mike Carey, Josh Lindgren, Kaci Fahey, Nicole Bower, Dawn McCracken and Eric Hanson.

Park and Recreation would like to welcome new Committee member Kacie Fahey. We are excited to have you join us.

The Food Truck Night was a hit. We received great feedback from community members. P & R discussed ideas for next year including more food trucks, more tables, a bike area with bike racks, napkins, sanitizer stations and Sunday Night Entertainment Schedules/flyers available to participants. We'll also want to be sure future vendors who are cash only, post clear signs on their trucks so people can see them prior to getting in line.

Sunday Night Entertainment begins June 12th with Skyview Ranch starting out the lineup. Visit our website for additional events and dates.

Committee members reviewed the entertainment and vendor list for Celebration to determine who we need to contact and in what order. Dawn will begin reaching out to them accordingly. Mike will reach out to the mining companies to coordinate sponsorship donations.

The meeting was adjourned.
