

PR Minutes  
07/11/2022

Chair Mike Carey called the meeting to order. Present were Mike Carey, Mark Page, Josh Lindgren, Nicole Bower, Dawn McCracken and Eric Hanson.

Sunday entertainment was successful again. The Irish Dancers had 75+ attendees though a good portion of them were parents and grandparents of the dancers. They would be fun to have back again in future years.

Josh ordered 800 buns for Sweet Kneads which he'll pick up for Celebration. Other food items needed will be ordered as the event gets closer.

Ag Industries and McNamera have both confirmed sponsorships. Nicole will reach out to Castle Rock Bank to see if they would like to sponsor. Eric will talk to Bolten-Menk about permanent coolers and roasters for the event. Jessica and Nicole will prep the sandwich boards signs to advertise. Mark will continue to coordinate with Brand Farms regarding their involvement with the Empire Celebration.

Dawn, Jerad and Jeff are meeting with ball teams tomorrow to outline updated scheduling procedures and expectations. Currently there are many last minutes change requests coming in which creates additional work for the office and the Maintenance team. Field care during and after games will also be covered.

A review of the ballfield rental policies will be conducted during winter 2022. Concerns for review are light usage and fees, cancellations/timeframes for such and motor vehicles on the field.

The meeting was adjourned.
