

## Park and Recreation Minutes

July 24, 2023

The meeting was called to order by Chair Mike Carey. Present were Mike Carey, Mark Page, Kacie Fahey, Tanya Borchardt, Nicole Bower, Eric Hanson and Dawn McCracken.

Dawn will respond to Kellee at Farmington Park and Recreation letting her know we are available for a joint meeting with them on Monday, October 23<sup>rd</sup>, 2023.

Park and Rec members will provide supervision, along with the parents, for the bounce house and grader. Each Park and Recreation member will bring a cooler prior to the event.

We're unable to secure a meat donation though Greg's Meat was able to offer a 10% discount on the burgers, which puts pricing close to Sam's Club. We will be ordering the burgers from them! We reviewed the remainder of the shopping list for Celebration which Dawn will pre-order from Sam's Club. Blue Nose is confirmed as well as a new Schwan's rep. Brand Farms is also confirmed.

The Sheriff's Department will bring the MRAP, an obstacle course, drones, the crime scene vehicle and possibly an ATV. The Fire Department will be bringing a ladder truck and the Brush 21. We will also have a grader from Maintenance and the library outreach van.

Tanya will pick up the water and Josh will pick up the buns. Various sponsors have continued to confirm and have provided generous donations in support of the event.

No submissions were received for the Story Walk Contest this year. Park and Rec. members will arrive as early as 4:30 pm and continue to arrive as they are able. The sponsorship banners and buttons have arrived!

The DNR signed off on the final requirements of our Town Hall Park grant. The Barron of Bubbles had 67 attendees at our Summer Entertainment and received lots of positive feedback. The kids were very engaged in the activities.

The meeting was adjourned.
