

Park and Recreation Minutes

July 8th, 2024

The meeting was called to order by Chair Kacie Fahey. Present were Kacie Fahey, Josh Lindgren, Mark Page, Amanda Stender, Nicole Bower, Tanya Borchardt, and Dawn McCracken. Charles Seipel-Teng, and guest Anna Springer from Bolten -Menk were also present.

Anna led the Committee in multiple activities to aid in the crafting of our park development vision as part of the future Parks Development Plan. They will have a staff coordination meeting later in July and will host another community pop-up at Celebration in August to continue guiding the process.

Dawn has received a quote from a local company for upkeep of the Town Hall Park gardens. While the Sentence to Serve program has the potential to provide additional support, the availability is limited and wouldn't be consistent. The Committee will make a recommendation to Council for the approval of the initial quote received for the first clean-up of the beds. Dawn will continue reaching out to additional companies for quotes as the others contacted never responded.

The Committee coordinated details for Celebration. Members were tasked with donation outreaches, coordinating food and beverage needs and supply pick up.

The meeting was adjourned.
