

## Park and Recreation Minutes

8/28/2023

The meeting was called to order by Chair Mike Carey. Present were Mike Carey, Kacie Fahey, Josh Lindgren, Tanya Borchardt, Nicole Bower, Mark Page, Eric Hanson and Charles Seipel-Teng.

Committee members wrote and signed the cards for Celebration volunteers and sponsors. The Committee requested Dawn email a signup sheet for shifts at the Fall Food Truck night like the Spring event. The trucks have all been approved and confirmed. A map for the food truck vendors will be emailed ahead of time so each truck knows what space to setup in.

The recommended agenda for the joint meeting with Farmington was reviewed. Mike will give an update on our transition to a city. Nicole will give an update on Celebration and Kacie will give an update on Sunday Night Entertainment. Tanya would like to add a discussion about CEEF to the agenda.

Charlie presented the tentative schedule for the proposed 2024 budget. He walked through the budget line items and gave an overview of all.

Farmington Band night ended our Sunday Night Entertainment for 2023. Next year, we need to schedule additional portable toilets on site. The recommendation was also that we install the rope dividers to keep people off the sidewalk to protect the landscaping. Available members need to arrive by 5pm to help direct set-up and prepare the popcorn. It was also recommended to invite Mayor Larson to introduce the band next year since Terry has retired. There were approximately 525 attendees at our final event. It was suggested to move the popcorn machine to the front corner of the parking lot to help with the line and keeping out of the way. Overall, the event was a success!

The meeting was adjourned.
