Holiday Party - 12/7/2025

The annual Holiday Party was a success! Present were Kacie Fahey, Mark Page, Tanya Borchardt, Josh Lindgren, Nicole Bower, Eric Hanson and Dawn McCracken. Due to the unusually warm weather and conflicting events in neighboring cities, attendance was lower than usual at 136.

Dawn will post photos this week as a “here’s what you missed” with a callout for next year. The new banner and signs were well designed and a great way to advertise leading up to the event.

Recommendations for next year include a second open table for adults, a callout sign near the selfie station and a sensory friendly corner or activities. We will also need to request additional whipped cream from Blue Nose as they only brought one this year. They usually bring 2-3 cans.

The face paint was packed away with the art supplies. Mark has agreed to join us again in 2025 as Santa.
